Rep. Slaughter Responds to BRAC Commission Decision to Save 107th Air National Guard Unit

Washington, DC - Rep. Louise M. Slaughter (D-Fairport), Ranking Member of the House Rules Committee, responded today to news that BRAC has decided to keep the 107th Air National Guard unit at the Niagara Falls Air Reserve Station.

"**We are relieved that the BRAC Commission has recognized the homeland security needs of our country by keeping the 107th Air National Guard unit right here in Niagara. This is a victory for all those who serve as well as our entire community who have fought together to protect our local economy and national security interests. With this decision I am even more optimistic that the Commission will also act to save the 914th Air Reserve unit, ensuring that the Base remains open and fully operational**," said Rep. Slaughter.

Further comments will be made by Rep. Slaughter upon BRAC's final decision regarding the Niagara Falls Air Reserve Station.
