Congresswoman Louise Slaughter (NY-28) congratulated Mrs. Jeanne Kaidy of McQuaid Jesuit High School. Yesterday, the White House announced she will be a recipient of the Presidential Award for Excellence in Mathematics and Science Teaching.

"Mrs. Kaidy's extraordinary ability to make the study of science an exciting learning experience has continually enriched her students' educational journey," said Slaughter. "The Presidential Award is a testament to her fine character and further affirmation of her continual pursuit of excellence in teaching. Mrs. Kaidy is a shining example of the best of the best among teachers, and we are proud of the great honor she has brought to the Rochester community."

More information on the award is available from the White House .
